Current Position

1/11/2024–
30/10/2025
Postdoc research position under the supervision of prof. Giuseppe Primiero, dep. of Philosophy, University of Milan, within the PRIN project *SMARTEST: Simulation of Probabilistic Systems for the Age of the Digital Twin*

Appointments

15/02/2024–
15/10/2024
Postdoc research position *"purity and simplicity of mathematical proofs"* under the supervision of prof. Gabriele Pulcini, dep. of Literary, Philosophical and Art History Studies, University of Rome Tor Vergata, within the PRIN project *PUMa: Proof and Understanding in Mathematics*

16/07/2021–
16/09/2021
Research job "ricerche bibliografiche e preparazione cornice teorica all'interno della quale organizzare eventi sul tema: il "Pluralismo logico" e la possibilità di un dialogo tra logiche formali differenti" within the framework of "Nuove sfide per l'etica applicata", University of Pisa

1/07/2019–
31/12/2019
Six months research scholarship "Possibilità e limiti dell'approccio pluralista per la trattazione del disaccordo in logica" within the framework of PRA_2018_6 "Etica, scienza, democrazia", University of Pisa

Education

01/10/2016–
29/04/2020
Ph.D. in Philosophy earned *cum laude* at the Universities of Pisa and Florence (Title of the thesis: *Pluralism in Proof-Theoretic Semantics*).

21/11/2013–
30/09/2016
Master's degree in Philosophy earned *cum laude* at the University of Pisa (Title of the thesis: *Il pluralismo logico nelle prospettive realista e antirealista*).

02/08/2009–
20/11/2013
Bachelor's degree in Philosophy earned *cum laude* at the University of Pisa (Title of the thesis: *Le traduzioni tra derivazioni della deduzione naturale e del calcolo dei sequenti*).
